Dear Bob,

I recently returned from a short trip abroad and have now read your memo of 26 June to me. After reading your memo I called for and read the report of the Inspector General on the same matter. As you noted in your memo, the matter is now under consideration by the Office of General Counsel under the provisions of E. O. 12036.

I will make your memo to me available to the Office of General Counsel for consideration along with other inputs in the case. Because it is under legal review, it would not be proper for me to do anything else at this time. I will, however, continue to monitor developments in the case.

Sincerely yours,

*[Handwritten signature]*

John F. Blake
